We are excited to bring you this opportunity to serve. We have partnered with Church World Service to assemble Clean-Up Kits. These kits will be distributed to areas hit by hurricanes, floods and other natural disasters to assist in clean up and restorative efforts. Scan the QR code for the link to sign up to donate specific items needed to assemble the kits. Once all products are collected, we will gather our youth group for the sorting and assembling process. You may also find the sign up at this address:
